

VERA

The hopes of the radio fans here and elsewhere, we presume, after having been buoyed up by the prospect of hearing the voice of Queen Marie, of Rumania, were very much disappointed at the announcement that the queen was indisposed and would not be able to speak. We suspect the queen "got cold feet."

The farmers have about finished sowing wheat, rice etc. and have started stripping tobacco, for both of which they have had ideal weather. The corn has not been parched yet, but they are busy "pulling it" and the next thing on the tapis will be "corn shuckings", which are looked forward to by the ruralites as one of the bright spots, along with threshing and woodchoppings, when they can mix business with pleasure and have a good dinner thrown in for good measure.

Another tornado of almost equal violence to that of September 18th in Florida, passed over Cuba and the West Indies last week. The loss of life is 500 or more with 10,000 injured. An earthquake in Armenia, with the loss of life running into the thousands, and four "quakes" in California, which shook things up considerably, is the toll for the past week. "Things" are coming to pass so rapidly now, should we realize that the end of the age is near?

The Bible Students of this section have formulated plans to have a lecture at the school auditorium at Appomattox on Sunday afternoon, October 31st at 8 o'clock, on the subject "Earth's Greatest Conflict Near." Mr. A. B. Dabney, of Lynchburg will be the speaker, and those who have heard him speak in his convincing manner, we know will be glad to have another opportunity to hear him on this timely topic, which is fully backed by Scripture. The lecture will be free to the public and the Bible students are hoping their friends and the public in general will take advantage of this opportunity to hear this interesting topic discussed.

About Vera

We regret to lose one of our good neighbors and church workers, Mr. John Webb and family, who have moved near Appomattox.

Mr. and Mrs. Thomas Harvey celebrated the 90th anniversary of their marriage in a quiet way on account of sickness, on the 23rd of October. They have lived to a good old age. Mr. Harvey 90 and Mrs. Harvey 88. They are almost invalids, but they enjoy their many friends who visit them daily.

Mr. and Mrs. Thos. C. Harvey and their bright little boy, Thomas the V. of Sanwick, Ontario, Canada, have returned home, after a pleasant visit to his grandparents, Mr. and Mrs. Thomas Harvey, and his mother, Mrs. T. J. Harvey. They lost the baby's basket on the road somewhere between Thomas Harvey's and Appomattox. If anyone found it we would appreciate having it returned to Thomas Harvey.

The many friends of Mr. A. H. Gregory regret very much to hear of his death. Truly it may be said, "a good man has gone to his reward." Much sympathy is expressed for his widow and children.

Mr. H. P. Woodson, of Clearwater, Florida, Mr. Lewis Isbell, of Wheeling, W. Va., and J. C. Woodson, of Lynchburg, were guests of their aunt, Mrs. Thos. Harvey a few days ago.

The State Highway is getting along nicely with the road.

Card of Thanks

The family of the late A. H. Gregory acknowledge with thanks and appreciation the many acts of kindness and sympathy extended by his friends.

Mrs. LILLIE GREGORY

Mrs. J. R. Horseley Showered

The home of Mrs. Samuel Davidson was the scene of a shower given in honor of her niece, Mrs. J. R. Horseley, Saturday afternoon, October 23rd. The sitting room was beautifully decorated with fall leaves, flowers, and potted plants.

The guests, who were Mrs. Horseley, Mrs. Kate Davidson, Mrs. C. E. Carson, Mrs. Jennings, Mrs. R. T. Thornhill, Mrs. L. F. Caldwell, Mrs. S. C. Stratton, Misses Legrand, Thornhill, Lina Carson, Brandon, LeGrand, assembled in the sitting room at 4 o'clock. Everyone took part in a contest, "A Story Told in Flowers." Miss Lina Carson won the prize by answering all the questions. The guests then wrote wishes for the bride who read them. At the suggestion of the hostess that a shower was approaching, everyone threw rice at the bride. While the shower of rice was falling upon the bride, the hostess brought in a basket decorated with the fall colors, filled with many beautiful and useful gifts for the bride, who opened the numerous packages. The hostess then invited everyone to the dining room, which was also decorated with fall foliage. The centerpieces on the table represented the season of matrimony, there was a canoe, containing the bride and groom, sailing towards sweethearts island. The light house of love guided them from such stumbling blocks as "bread his mother used to make."

An ice course was served by Mrs. Davidson and Miss Agnes Davidson, while Misses Edith Davidson and Brandon served at the punch bowl. When the hour to depart came, not only the bride but everyone expressed having a most enjoyable afternoon.

RED CROSS SERVICES SHOW UPWARD TREND

Disaster Relief, Veterans' Aid Foremost in Fiscal Year. Services All Vital.

Expenditures by the American Red Cross for the last year showed a mounting curve as compared with those for the preceding year—\$1,485,821 as against \$1,027,879.89. The outstanding appropriations were for disaster relief and assistance to disabled veterans. The disaster relief appropriations were \$471,137, of which the National Red Cross contributed \$1,023,877, and the Red Cross Chapters \$23,000. For disabled veterans, a total of \$1,253,173 was allocated, of which the National Headquarters appropriated \$1,011,178, and Chapters, \$241,995.

The disaster relief figures do not include the Florida operations, which occurred after the end of the fiscal year, in addition to the work for disabled veterans, the Red Cross continued its work on behalf of men in the Marine Corps, which called for a total appropriation of \$500,000.

The enrolled nurses, centers, from which nurses for disasters and other emergencies are called, cost \$47,282, borne entirely by the National Headquarters. Public Health Nursing, a national health work, cost \$55,528, part of the Red Cross program of vaccination in home hygiene and care of the sick required \$122,466 in nutrition instruction, \$164,107 was expended.

The Junior Red Cross, one of the foremost peace influences in the world, was carried on at a cost of \$31,052. All local Chapter activities of the Red Cross cost \$81,000, while other domestic operations of the Red Cross, borne by National Headquarters, amounted to \$25,240.

The remainder of the fiscal year's expenditures were accounted for in the foreign disasters in which the American Red Cross assisted, absorbed \$3,070; League of Red Cross Societies, \$189,000; Junior Red Cross foreign projects, \$74,725; 539; other insular and foreign work, \$54,743; supervision of service activities, general management, \$27,628.27.

The total expenditures for the year ended June 30 last were divided: National Organization, \$7,381,869.35; local Chapters, \$1,511,000. In the Tenth Annual Roll Call, November 11 to 25, the public is invited to share in this vast work done in their name by enrolling in the American Red Cross as members.

\$1.50 pays for THE TIMES-VIRGINIAN one whole year. Let us put you on our list.

52 Billion Loaves in U. S. Wheat

ENOUGH wheat will be produced in the United States this year to make 52,018,000,000 loaves of bread, according to the Sears-Roebuck Agricultural Foundation. The latest official estimates indicate that 880,000 bushels of wheat will be produced this year, and it is figured that one-pound loaves of bread can be made from every bushel of wheat. Of the total estimated output 628,000,000 bushels were produced by winter wheat growers and 212,000,000 bushels by spring wheat growers in the Northwest. Last year the winter wheat production was 308,000,000 bushels and spring wheat 271,000,000. The present crop is above the five-year average of 802,000,000 bushels. The acreage devoted to the crop this year is just at 57,284,000 and the latest estimates place the production at 148 bushels per acre, the Foundation states. Winter wheat will run over 17 bushels per acre and spring wheat 10.2 per acre. Domestic needs are estimated at 600,000,000 bushels, so there will be more than 250,000,000 bushels for export. Prices are not as high as a year ago, but the crop probably will bring growers more than a billion dollars.

Eating their way through almost four million acres of corned corn in the form of silage is the job American cattle, mostly dairy cows, accomplish every year, according to the Sears-Roebuck Agricultural Foundation. It has been estimated that they eat 90.6% of the vast amount of silage while of the small amount left, swine consume 22%, horses, 17% and sheep 11%. Very little silage is fed to poultry. All silage made on the farm is consumed on the farm because it is not a product that can be handled successfully through commercial channels.

Performance proved beyond all doubt!

Out on the curves and straightaways of the General Motors Proving Grounds—over rough and rutted roads, through blistering heat and bitter cold, through rain and slush and mud and snow, Chevrolet performance is proved before it is enjoyed by owners!

Here testers drive, night and day, until the speedometers register 20-30-40,000 miles and more! Here during the long, steady grind—every mile of which is driven under observation—materials and designs are constantly analyzed and checked; performance, wear and repairs are tabulated! Here the collective genius and experience of Chevrolet and General Motors engineers is utilized to assure buyers an investment of utmost soundness and satisfaction when they purchase a Chevrolet!

See us now! Arrange to drive the smoothest Chevrolet in Chevrolet history. Small down payment and convenient terms. Ask about our 9% Purchase Certificate Plan.

"THE PAST IS THE BEST GUARANTEE OF THE FUTURE"

PERSONAL MENTION

Mrs. S. W. Sears is in New York with her mother, who is in a hospital there.

Capt. T. A. Walton and family of Roanoke, have moved back home to Appomattox, and we are all glad to have them. Captain Walton has retired from active R. R. service.

Mrs. Ned Wagers entertained her Sabbath School class royally Friday evening.

Our stock is more complete than ever. Novelties, millinery, ladies' ready-to-wear, dry goods and notions.

The colored people made an exhibit at the Fair here worthy of special mention—the farm and garden products, canned goods and handy work attracted much attention and favorable comment.

The tobacco season opens at Appomattox on the 8th of November. Two warehouses will be operated. The Appomattox Warehouse by C. R. Morton and the Farmer's Warehouse by C. T. Moses. Every preparation is being made for a big opening sale and farmers are being urged to come out and bring a load to the home market.

At the annual meeting of the stockholders of the Appomattox Tobacco Factory, Inc., here Tuesday the old officers were re-elected. J. E. Sears and Robert Iry and S. L. Ferguson offered to exchange for 30 foot street from Court Street to road through westward for easement of Company over Hunter property, which latter property these gentlemen have recently acquired from the Hunter heirs. The Town Council is expected to open up that street and maintain it.

W. C. T. U. Meet

The regular monthly meeting of the W. C. T. U. was held at the home of Mrs. Carson on Tuesday afternoon.

Mrs. Helene M. Welch had charge of the devotional, giving a lesson on self-restraint, using Christ as our model. The subject for the afternoon was "Scientific Temperance Instruction," with Mrs. Gordon leader.

The Union decided to observe Nov. 7th as Red Letter Day, with an appropriate program, the exercises to be held in the Methodist church at 8 p.m.

It was voted to give prizes again this year, for the best essays on subjects to be given the High School Students. Miss Lucy LeGrand got honorable mention in the State for her essay written last spring.

This Union now has the honor of having one of its members a state director. Mrs. Gordon having been appointed director of Christian Citizenship at the State meeting in August.

Next Sunday being World Temperance Sunday, the committee on temperance in the Sunday School, has some definite information along that line to be given next Sunday in the Sunday Schools of the village.

ROCKS NEWS

Miss Gertrude Ranson was some what surprised when she heard that the school she is teaching, Harmony, had first prize on the exhibit at the Fair. Hurrah, for Harmony.

Mr. L. Bryant, of Philadelphia, visited his mother last week.

Miss Gertrude Ranson, Mr. and Mrs. D. Walker Dinkins and son, Emmett, and Miss Zella Inge visited little Wylie Richardson, son of Mrs. "Dee" Richardson, of near Prospect, Monday night. Wylie has been in the hospital at Richmond but is at home now, expects to go back in a few months for further treatment.

Mrs. Sam Ranson who broke her hand and arm about two months ago is getting on O. K. and is already well but her hand is not but is improving we are glad to say.

More than 45,000 nurses are enrolled in the American Red Cross. They are ever ready for emergency duty. Every American can do his share for humanity by joining the American Red Cross during the Tenth Annual Roll Call, November 11 to 25.
